NEWTOWN CHAMBER
ORCHESTRA

2011-2012 Season

www.NewtownChamberOrchestra.org

In its 22nd year, the **Newtown Chamber Orchestra (NCO)** and its Board of Trustees are pleased to invite you to join them for a season of beautiful music presented by professional musicians performing from a repertoire spanning 17th century to present day. Though their small size replicates orchestras of Mozart's time, they are able to perform a wide variety of works. Their commitment to musicians of today includes premiering works by contemporary composers, featuring local and nationally known soloists, as well as encouraging young musicians through their three annual Youth Initiatives.

- **Young Musicians Competition** is for students in grades 9-12.
- **Kids Connect to the Classics** is a free interactive family concert.
- **Musicians in the Schools** brings NCO musicians into the classroom.

To further introduce young people to the rhythms of classical music, all children and students with valid IDs will be admitted free to subscription concerts.

NCO, a 501(c)(3) organization, relies fully on support of contributions from the private and business communities, foundations, grants, and corporate giving.
